

## Information on incidents at the oilfields of OJSC "Surgutneftegas" in 2015

No.	Date of an incident	Place of an incident	Causes and effects of an incident	Area of contaminated land and water bodies (ha), type of terrain	Measures taken in response to an incident	Administrative investigations on determination of guilt (penalties, claims)
1	04.03.2015 11:50	Area of exploration well No. 63r of the Vostochno-Surgutskoye field (Decompression of unauthorized (criminal) junction into BOOSTER PUMP STATION-3 oil pipeline (V/S) – P.20)	criminal junction, oil spill	0.5992, dry land	<p>1. Oil spill localization.</p> <p>2. Oil containing fluids pumpdown, gathering and removal of the contaminated snow and soil.</p> <p>3. Site reclamation in snowless period.</p> <p>Upon completion of the reclamation, the authorized government body inspected the site and excluded it from the Register of territories and water bodies contaminated by oil, oil products and initial water. The environmental clean-up cost amounted to RUB 7,499.99 thousand.</p>	Department of Prirodnadzor of Yugra found OJSC "Surgutneftegas" innocent of the incident.
2	07.08.2015 03:30	Area of well-pad No. 55, the Fedorovskoye field (oil and gas pipeline incident "OIL AND GAS PIPELINE T.P.-T.P p.11-BOOSTER PUMP STATION12 (P.110-BOOSTER PUMP STATION12)"	corrosion, oil containing fluids spill	0.2299, swamp, Mokhovaya river water area	<p>1. Oil spill localization.</p> <p>2. Oil containing fluids pumpdown, gathering and removal of the contaminated soil.</p> <p>3. Land reclamation, treatment of the Mokhovaya river water surface.</p> <p>Upon completion of the reclamation, the authorized government body inspected the site and excluded it from the Register of territories and water bodies contaminated by oil, oil products and initial water. The environmental clean-up cost amounted to RUB 49,068.47 thousand.</p>	<p>1. Decisions on the imposition of administrative sanctions of Lower Ob regional department of Federal Agency for Fishery and Rosprirodnadzor for KhMAO-Yugra are canceled by court decisions.</p> <p>2. Prirodnadzor of Yugra found OJSC "Surgutneftegas" guilty. A penalty in the amount of RUB 100 thousand was paid out.</p> <p>3. The claim of Prirodnadzor of Yugra totaling RUB 3,047.83 thousand to compensate for the damage was is canceled by court decision. Costs for site</p>

						reclamation incurred by OJSC "Surgutneftegas" were set off to compensate for the damage done.
3	08.09.2015 20:15	Area of exploration well No. 63r of the Vostochno-Surgutskoye field (Decompression of unauthorized (criminal) junction into BOOSTER PUMP STATION-3 oil pipeline (V/S) – P.20)	criminal junction, oil spill	0.5728, dry land	1. Oil spill localization. 2. Oil containing fluids pumpdown, gathering and removal of the contaminated soil. 3. Site reclamation.  Upon completion of the reclamation, the authorized government body inspected the site and excluded it from the Register of territories and water bodies contaminated by oil, oil products and initial water. The environmental clean-up cost amounted to RUB 2,582.96 thousand.	OJSC "Surgutneftegas" was found guilty of disclosing incomplete information on the oil spill. A penalty in the amount of RUB 20 thousand was paid out.
4	30.09.2015 10:40	Area of single well No. 273 of the Zapadno-Surgutskoye field (Decompression of unauthorized (criminal) junction into BOOSTER PUMP STATION-3 oil pipeline (V/S) – P.20)	criminal junction, oil spill	0.4691, dry land	1. Oil spill localization. 2. Oil containing fluids pumpdown, gathering and removal of the contaminated soil. 3. Site reclamation.  Upon completion of the reclamation, the authorized government body inspected the site and excluded it from the Register of territories and water bodies contaminated by oil, oil products and initial water. The environmental clean-up cost amounted to RUB 5,747.62 thousand.	OJSC "Surgutneftegas" was found guilty of disclosing incomplete information on the oil spill. A penalty in the amount of RUB 20 thousand was paid out.

5	06.10.2015 23:22	Area of well-pad No. 633 of the Vostochno-Surgutskoye field (Decompression of unauthorized (criminal) junction into BOOSTER PUMP STATION-3 oil pipeline (V/S) – P.20)	criminal junction, oil spill	0.9820, dry land	<p>1. Oil spill localization. 2. Oil containing fluids pumpdown, gathering and removal of the contaminated soil. 3. Site reclamation.</p> <p>Upon completion of the reclamation, in 2017, the authorized government body inspected the site and excluded it from the Register of territories and water bodies contaminated by oil, oil products and initial water. The environmental clean-up cost amounted to RUB 12,605.88 thousand.</p>	<p>OJSC “Surgutneftegas” was found guilty of disclosing incomplete information on the oil spill. A penalty in the amount of RUB 20 thousand was paid out.</p>
6	16.10.2015 10:20	Area of well-pad No. 99, the Rogozhnikovskoye field (oil and gas pipeline incident, t.p. 15b – t.p. 2a)	corrosion, oil containing fluids spill	0.1292, dry land	<p>1. Oil spill localization. 2. Oil containing fluids pumpdown, gathering and removal of the contaminated soil. 3. Site reclamation.</p> <p>Upon completion of the reclamation, in 2016, the authorized government body inspected the site and excluded it from the Register of territories and water bodies contaminated by oil, oil products and initial water. The environmental clean-up cost amounted to RUB 3,027.52 thousand.</p>	<p>Prirodnadzor of Yugra found OJSC “Surgutneftegas” innocent of the incident.</p>

7	01.11.2015 19:20	Area of well-pad No. 210, the Zapadno-Surgutskoye field (Decompression of unauthorized (criminal) junction into OIL AND GAS PIPELINE T.P.- T.P.W.P..210	criminal junction, oil spill	0.0656, dry land	<p>1. Oil spill localization. 2. Oil containing fluids pumpdown, gathering and removal of the contaminated snow and soil. 3. Site reclamation in snowless period.</p> <p>Upon completion of the reclamation, in 2016, the authorized government body inspected the site and excluded it from the Register of territories and water bodies contaminated by oil, oil products and initial water. The environmental clean-up cost amounted to RUB 668.91 thousand.</p>	<p>OJSC "Surgutneftegas" was found guilty of disclosing incomplete information on the oil spill. A penalty in the amount of RUB 20 thousand was paid out.</p>
8	15.11.2015 14:00	Area of well-pad No. 328, the Vostochno-Surgutskoye field (Decompression of illegal tap valve at OIL AND GAS PIPELINE T.P. - BOOSTER PUMP STATION (W. 342-BOOSTER PUMP STATION3)	criminal junction, oil spill	0.4653, dry land	<p>1. Oil spill localization. 2. Oil containing fluids pumpdown, gathering and removal of the contaminated snow and soil. 3. Site reclamation in snowless period.</p> <p>Upon completion of the reclamation, in 2016, the authorized government body inspected the site and excluded it from the Register of territories and water bodies contaminated by oil, oil products and initial water. The environmental clean-up cost amounted to RUB 901.58 thousand.</p>	<p>OJSC "Surgutneftegas" was found guilty of disclosing incomplete information on the oil spill. A penalty in the amount of RUB 20 thousand was paid out.</p>

9	19.11.2015 10:57	Area of well-pad No. 99, the Rogozhnikovskoye field (oil and gas pipeline incident t.p. 15b – t.p. 2a)	corrosion, oil containing fluids spill	0.2300, dry land	<p>1. Oil spill localization. 2. Oil containing fluids pumpdown, gathering and removal of the contaminated snow and soil. 3. Site reclamation in snowless period.</p> <p>Upon completion of the reclamation, in 2016, the authorized government body inspected the site and excluded it from the Register of territories and water bodies contaminated by oil, oil products and initial water. The environmental clean-up cost amounted to RUB 563.17 thousand.</p>	There was no administrative investigation against OJSC “Surgutneftegas”.
